

Good morning Jay,

This letter is to confirm that on 12/10/19 an AIS Crew was schedule to cleanout RedFox units located on both Platform C & Platform Hillhouse. During schedule clean up all proper procedures were followed on both Platforms, while performing work crew did not notice anything out of the Ordinary. During cleanup procedure crew will perform a visual inspection on filters and overall equipment. Nothing was found during inspection.

Please don't hesitate to give me a call with any questions or concerns.

Thank you
